This information is intended to provide a summary of benefits. Not all benefit descriptions and exclusions are included in this summary.

<sup>1</sup>A Calendar Year Deductible of \$7,900 per Covered Person / \$15,800 per Family is applied first before any Covered Services are paid to Network Providers, and designated Covered Services to Non-Network Providers. The Deductible, Copayments and Coinsurance are subject to an Out-of-Pocket Maximum of \$8,700 per Covered Person / \$17,400 per Family. Once you have met this maximum, the Plan begins to pay medical and prescription Covered Services at 100%.

<sup>2</sup>A Calendar Year Deductible of \$23,700 per Covered Person / \$47,400 per Family is applied first before Covered Services are paid to Non-Network Providers. Payments to Non-Network Providers for Covered Services are based on Reference Based Pricing criteria (RBP). Deductible and Coinsurance are subject to an Out-of-Pocket Maximum of \$26,100 per Covered Person / \$52,200 per Family. Once you have met this maximum, the Plan begins to pay medical Covered Services at 100% RBP.

<sup>3</sup>Covered Services are paid in accordance with Mental Health Parity and Addiction Equity Act of 2008, which prohibits discrimination in the coverage for diagnosis, care, and treatment of Mental Health and/or Substance Abuse.

<sup>4</sup>Your Copayment and/or Coinsurance plus the Plan payment to the provider and/or facility constitutes full payment for a screening mammogram.

<sup>5</sup> Preventive Health Services are the recommended preventive services required to be covered without cost sharing under federal law.

<sup>6</sup>DEDUCTIBLES AND OUT-OF-POCKETS ARE EMBEDDED. Each member of a family is looked upon as an individual in regard to the Deductible and Out-of-Pocket. Once a member reaches the individual Deductible, Coinsurance will apply for that member. Once a member reaches the individual Out-of-Pocket, no Coinsurance will apply for that member.

<sup>7</sup> Payments to Non-Network Providers for Covered Services are based on Reference Based Pricing criteria (RBP). Charges for Non-Network Provider Covered Services that exceed the RBP amount may be Your responsibility.

<sup>8</sup>Network Inpatient covered services billed by a facility will first apply Deductible. After the Network Deductible is satisfied, a \$500 Copayment per admission will apply, then services will be payable at 50% coinsurance, up to the Out-of-Pocket Maximum.
