

WHAT DOES AULTCARE OFFER?

As a leader in the healthcare industry for over 36 years, AultCare continues to keep members satisfied through innovative plan designs, superior customer service, and a cost-effective high quality network.

New plans offer:

- Guaranteed coverage / no pre-existing conditions
- Prescription drug benefits
- \$0 cost preventive care visits (in-network)
- \$0 cost flu shots (in-network)
- No forms to complete for claims (in-network)
- o No lifetime dollar maximum limits on covered services

- Individual
- Individual and Spouse
- Individual and Child(ren)
- Entire Family

The following services are available 24/7 at www.aultcare.com:

- Access to your healthcare coverage, member ID cards, Explanation of Benefits, coverage details, claims & more
- o Prescription Plans & Formulary
- Physician's directory with search by name, location or specialty

You can find information about non-covered benefits, practitioner and provider availability, utilization management procedures, pharmaceutical management procedures, and privacy rights at www.aultcare.com or 330-363-6360 (TTY: 711).

AULTCARE CUSTOMER SERVICE

Our strengths are at your service:

- o REAL people answering the phone when you call
- o Calls transferred, on average, in less than 30 seconds
- o Local service: 330-363-6360 (TTY: 711)
- o 24/7 Nurse hotline: 1-866-422-9603
- o Email access: aultcare@aultcare.com
- o In-person access at: 2600 Sixth Street S.W. Canton, Ohio 44710

AULTCARE continues to develop innovative products & plan designs to meet the needs of families & individuals.

AultCare's Marketplace plans are available in the highlighted counties.

AULTCARE

Helping you navigate the Marketplace

The 2022 Open Enrollment period begins November 1, 2021 and continues through January 15, 2022. A life-changing event may allow you to shop for health plans outside of the Open Enrollment period.

Life-changing events include:

- Marriage
- o Birth of a child
- Moving into a new network
- o Divorce
- Loss of insurance/job that provided insurance
- Aging out of parent's insurance (26 years of age)

AultCare offers many options in the following metal categories. Review our plans to see which fits your needs. Below is a quick look at the coverage:

Metal Plan	Average Health Plans Payment
Bronze	60%
Silver	70 %
Gold	80 %

What factors affect your health plan costs?

- o Age
- o Family size
- o Tobacco use
- Location
- o Plan metal level

Dental & Vision options are available with some plans. Be sure to add those to your selections, if needed.

You've selected your plan, what does it include?

New AultCare health plans include:

- Prescription coverage
- Inpatient services
- Outpatient services
- Maternity coverage
- Newborn care services
- Pediatric services
- Emergency services
- o In-network preventive care services such as screenings and physicals
- Ongoing Disease Management
- Urgent care services
- Laboratory services (blood work, screenings)
- Rehabilitation services
- Substance abuse services
- Mental health coverage
- Durable medical equipment services

The National Committee for Quality Assurance (NCQA) has awarded AultCare with NCQA Health Plan Accreditation for our Commercial PPO, Commercial HMO and Marketplace PPO products. NCQA is an independent, not-for-profit organization dedicated to assessing and reporting on the quality of managed care plans, managed behavioral healthcare organizations, preferred provider organizations, new health plans, physician organizations, credentials verification organizations, disease management programs and other health-related programs.

These NCQA seals represent NCQA Health Plan report card year 2021-2022.

AultCare Insurance Company Individual Marketing Brochure

Enclosed is the Schedule of Benefits for this policy. This policy contains exclusions, limitations, reduction of benefits and certain terms under which the policy may be continued in force or discontinued. For costs and complete details of coverage, call or write your insurance agent or AultCare Insurance Company.

Precertification may be required.

This information is intended to provide a summary of benefits. Not all benefit descriptions and exclusions are included in this summary.

- ¹A Calendar Year Deductible of \$700 per Covered Person / \$1,400 per Family is applied first before any Covered Services are paid to Network Providers, and designated Covered Services to Non-Network Providers. The Deductible, Copayments and Coinsurance are subject to an Out-of-Pocket Maximum of \$700 per Covered Person / \$1,400 per Family. Once you have met this maximum, the Plan begins to pay medical and prescription Covered Services at 100%.
- ²A Calendar Year Deductible of \$2,100 per Covered Person / \$4,200 per Family is applied first before Covered Services are paid to Non-Network Providers. Payments to Non-Network Providers for Covered Services are based on Reference Based Pricing criteria (RBP). Deductible and Coinsurance are subject to an Out-of-Pocket Maximum of \$26,100 per Covered Person / \$52,200 per Family. Once you have met this maximum, the Plan begins to pay medical Covered Services at 100% RBP.
- ³Covered Services are paid in accordance with Mental Health Parity and Addiction Equity Act of 2008, which prohibits discrimination in the coverage for diagnosis, care, and treatment of Mental Health and/or Substance Abuse.
- ⁴Your Copayment and/or Coinsurance plus the Plan payment to the provider and/or facility constitutes full payment for a screening mammogram.
- ⁵ DEDUCTIBLES AND OUT-OF-POCKETS ARE EMBEDDED. Each member of a family is looked upon as an individual in regard to the Deductible and Out-of-Pocket. Once a member reaches the individual Deductible, Coinsurance will apply for that member. Once a member reaches the individual Out-of-Pocket, no Coinsurance will apply for that member.
- ⁶ Payments to Non-Network Providers for Covered Services are based on Reference Based Pricing criteria (RBP). Charges for Non-Network Provider Covered Services that exceed the RBP amount may be Your responsibility
- ⁷Preventive Health Services are the recommended preventive services required to be covered without cost sharing under federal law.
